

## JEE (Advanced) - Joint Entrance Examination

### JEE (Advanced) 2015

The admission to the undergraduate programmes at the IITs and ISMU, Dhanbad is based on a two-tier test. The first test, called the JEE (Main), is conducted in the month of April (both offline and computer-based). This test is conducted by CBSE.

The second test, called the JEE (Advanced), is conducted in the month of May or June (only offline). Only 1,50,000 of the top rankers in JEE (Main), which includes students from all categories (GE, OBC(NCL), SC and ST) are eligible to appear in JEE (Advanced).

Admissions to IITs is based only on category wise All India Rank (AIR) in JEE (Advanced) subject to the condition that such candidates get more than 75% in their XII board exam or are in the top 20 percentile of successful candidates of their Boards in applicable categories.

### Important Dates

- Start of Applications: May, 2015
- Last Date to Apply: May, 2015
- Download Admit Cards: May, 2015
- JEE Advanced Exam Date: 24 May, 2015
- Results: June, 2015

### Exam Fees

The exam fee for JEE Advanced 2014 has been increased to Rs. 2000 (general & OBC) from Rs. 1800 last year and to Rs. 1000 (SC, ST, PwD) from Rs. 900. However, like last year, female candidates need not pay any exam fee.

### JEE Advanced Exam Pattern

The JEE (Advanced) has two objective type papers. Each paper consists of Physics, Chemistry and Mathematics. Duration of each paper is 3 hours. Question papers are in both English and Hindi.

JEE (Advanced) is conducted in offline mode only. There will be two papers of three hours each. Each paper which will be of objective type, will have separate sections in Physics, Chemistry and Mathematics. It will test the comprehension, reasoning and analytical ability of the candidates.
