JEE Eligibility / Number of Attempts

The number of attempts you can avail at JEE (Main) is limited to 3 (three) uniformly for all the candidates in consecutive years.

Preparation of Merit List

The merit list for admission to NITs, IITs, DTU, Delhi and other CFTIs will be prepared by giving 40% weightage (suitably normalised) to class XII (or

equivalent examination) or other qualifying examination marks and 60% to the performance in JEE (Main) Examination.

### JEE (Main) Exam Pattern

The JEE (Main) Paper I consists of Physics, Chemistry and Mathematics. The duration of the paper is 3 hours. The Paper II is for admissions to B.Arch/B.Planning courses at NITs, IITs, DTU, Delhi and other CFTIs will have one Question Paper consisting of Mathematics, Aptitude Test and Drawing Test (same pattern that of AIEEE). The duration of the paper is 3 hours.

| Paper   | Subjects                              | Question Type                             | Mode of Exam                   |
|---------|---------------------------------------|---|--------------------------------|
| Paper 1 | Physics,<br>Chemistry,<br>Mathematics | Objective type                            | Pen-paper Or<br>Computer-based |
| Paper 2 | Mathematics,<br>Aptitude, Drawing     | Objective type<br>(except for<br>drawing) | Pen-paper based<br>only        |

**Negative Marking:** There are objective type questions with four options with single correct answer. For each incorrect response, one fourth (0.25) of the total marks allotted to the question will be deducted. No deduction from the total score will be made if no response is indicated for an item in the answer sheet.

Language of Question Paper: English, Hindi or Gujrati
